

TEACHINGS

Something to receive before you are asked for anything.

Explore meditation guidance, Dharma talks, and learning resources freely. Begin with what is relevant to your life and test the teachings in your own experience.

RIM is rooted in Insight Meditation and the early Buddhist tradition, offered in language that welcomes both secular and spiritual seekers.

A NAMED TRADITION

Insight Meditation, honestly and accessibly offered.

RIM shares the heart of Buddhist wisdom through Insight, or Vipassana, practice—rooted in the Pāli Canon and enriched by the wider Dharma of Buddhist traditions.

Dharma language is translated rather than hidden. You are welcome to engage as a Buddhist practitioner, a secular student of mindfulness, a person of another faith, or someone who is still unsure.
